

10 REASONS TO  
CONSIDER  
BUYING A  
HOME

*Americans yearn for homeownership. Most think it makes more financial sense than renting and plan to buy again or buy for the first time at some point in the future. They associate homeownership with greater control over their lives, less insecurity of tenure, and better communities.*

*- Eric S. Belsky*

1. Paying rent is not a good investment
2. You want more living space to move around in
3. To provide your children with a good education
4. It motivates you to become a better citizen
5. Start building family wealth

6. To begin investing in your retirement
7. Select a community where people share your values
8. You get to decide if your child has a best friend
9. Nobody tells you how to decorate your own home
10. Owning a home provides you with tax benefits
